More Than Just Food

Did you know? Some schools have introduced coffee and smoothie stations, mimicking college cafés and giving students a cool, comfortable hangout space.

Disc Café Base

RACETRACK

Available in 33" x 72" top size with flat edge.

Column Support

Base assembly includes a substantial 6" diameter column support that is available in 30" or 42" table heights. Available in titanium + black paint finish.

Disk Base

Large-diameter heavy duty disk bases are standard with leveling glides and provide excellent overall stability.

Tops

Available in square, round and racetrack shapes. Top constructed of 1-1/8" particleboard core with High-Pressure laminate and flat edge.

Cable Management

6" diameter column is open to allow for easy vertical routing of cords. The top of each column also includes an upper cable-way for convenient routing and access to cords.

Foster Social Connections

Did you know? Studies suggest that students who share meals with peers are more likely to feel a sense of belonging, which can improve mood, reduce stress, and enhance overall well-being.
