

artcobell Study Carrel

SEE LEARNING SPACES
THE WAY KIDS DO

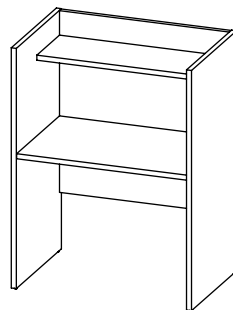

A Little Privacy. A Lot More Focus.

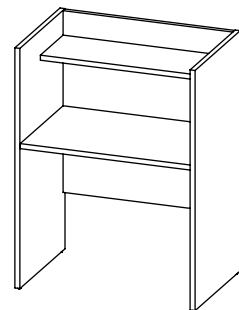

Create dedicated spaces for independent learning with traditional study carrels designed to minimize distractions and support student concentration.

artcobell

Integrated Storage Shelf

Provides convenient storage for books and supplies while adding structural support and stability to the carrel.

Privacy for Focused Learning

High side and back panels create a dedicated space for testing, studying, and independent work.

Versatile Applications

Ideal for classrooms, testing centers, libraries, and other independent learning environments.

Minimizes Visual Distractions

Enclosed design helps students stay focused on the task at hand.

Durable Laminate Construction

Laminate-clad surfaces provide a practical solution for everyday classroom use.

Three Worksurface Heights

Available in 25", 27", and 29" heights to accommodate different grade levels.

Compliance

- > Meets or exceeds applicable BIFMA standards
- > Certified Indoor Advantage™ Gold. Indoor air quality certified to SCS-EC10.3-2014 V3.0. Registration #SCS-IAQ-03677

Made in the U.S.A.

Built to last with reliable Artcobell quality and durability.
