ADAPTABLE SOLUTIONS
FOR LEARNING WITHOUT
BOUNDARIES

CREATE SPACES TO INCREASE INTERACTION

Spaces that mimic home or relaxed environments like cafes, will reduce anxiety and stress when students are collaborating.

Column Support

Base assembly includes a substantial 6" diameter column support that is available in 30" or 42" table heights. Available in titanium paint finish.

Disk Base

Large diameter heavy duty disk bases are standard with leveling glides and provide excellent overall stability.

Tops

Available in square, round and racetrack shapes. Top constructed of 1-1/8" particleboard core with high-pressure laminate and flat edge.

Cable Management

6" diameter column is open to allow for easy vertical routing of cords. The top of each column also includes an upper cable-way for convenient routing and access to cords.

RACETRACK

Available in 33" x 72" top size with flat edge.

ROUND

Available in 36" and 42" top sizes with flat edge.

SQUARE

Available in 30" and 36" top sizes with flat edge.

REINVENT THE SCHOOL LUNCHROOM

This swing space now performs many duties: community gatherings, theater performances, concerts, study hall. The new lunchroom acts more like the local Starbucks. It's a place to meet, work alone or collaboratively, and even occasionally, to eat.
