

BookNook

Mobile shelves with an integrated cushioned seating area.

L-Shaped Shelving

Comprising two 30.9 x 17.5" thermo-fused laminate boxes joined with a wedge-shaped showcase shelf. L-shaped continuous top and bottom by edgeband, not separable pieces, locked together via Wurth tite joint fastener hardware, 48" x 48". Frame and shelves are composed of 1" TFL laminate. Two adjustable shelves per side to 1" increment. Cannot be ordered alone, must have wedge seating included. Ganging hardware required, two per unit to lock-in wedge seat. 6 NXT MOV casters.

Wall Pads

2" ILD 95 high density foam side panels are covered with wipe-clean coated textiles and are attached with Velcro for easy removing.

Wedge Seat

Comprising a 31" x 31" wedge-shaped base with exposed storage at the bottom, two sections. 20" height overall. Frame and shelves are composed of 1" TFL laminate. 4 NXT MOV casters

Seat Pad

3" ILD 95 high density foam seat pad is covered with wipe-clean coated textiles. Free floating pad with gripper on the bottom.

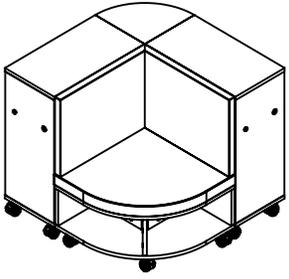

NXT MOV Casters

Twin-wheel casters with high load capacity and easy movement with high load situations. High graded TPU tread, total lock type (w/brake, EUB-75). 3in. DIA [75mm] x 2.63in. Wide [67mm] x 4 in. Height [102mm] grey casters are fastened to the bottom using 5/16"-18 fully threaded elevator thru-bolts at all 4 corners of the 2.5in. X 2.5in. square mounting plate for superior strength. Weight capacity of each caster is 150 lbs. each.

Compliance

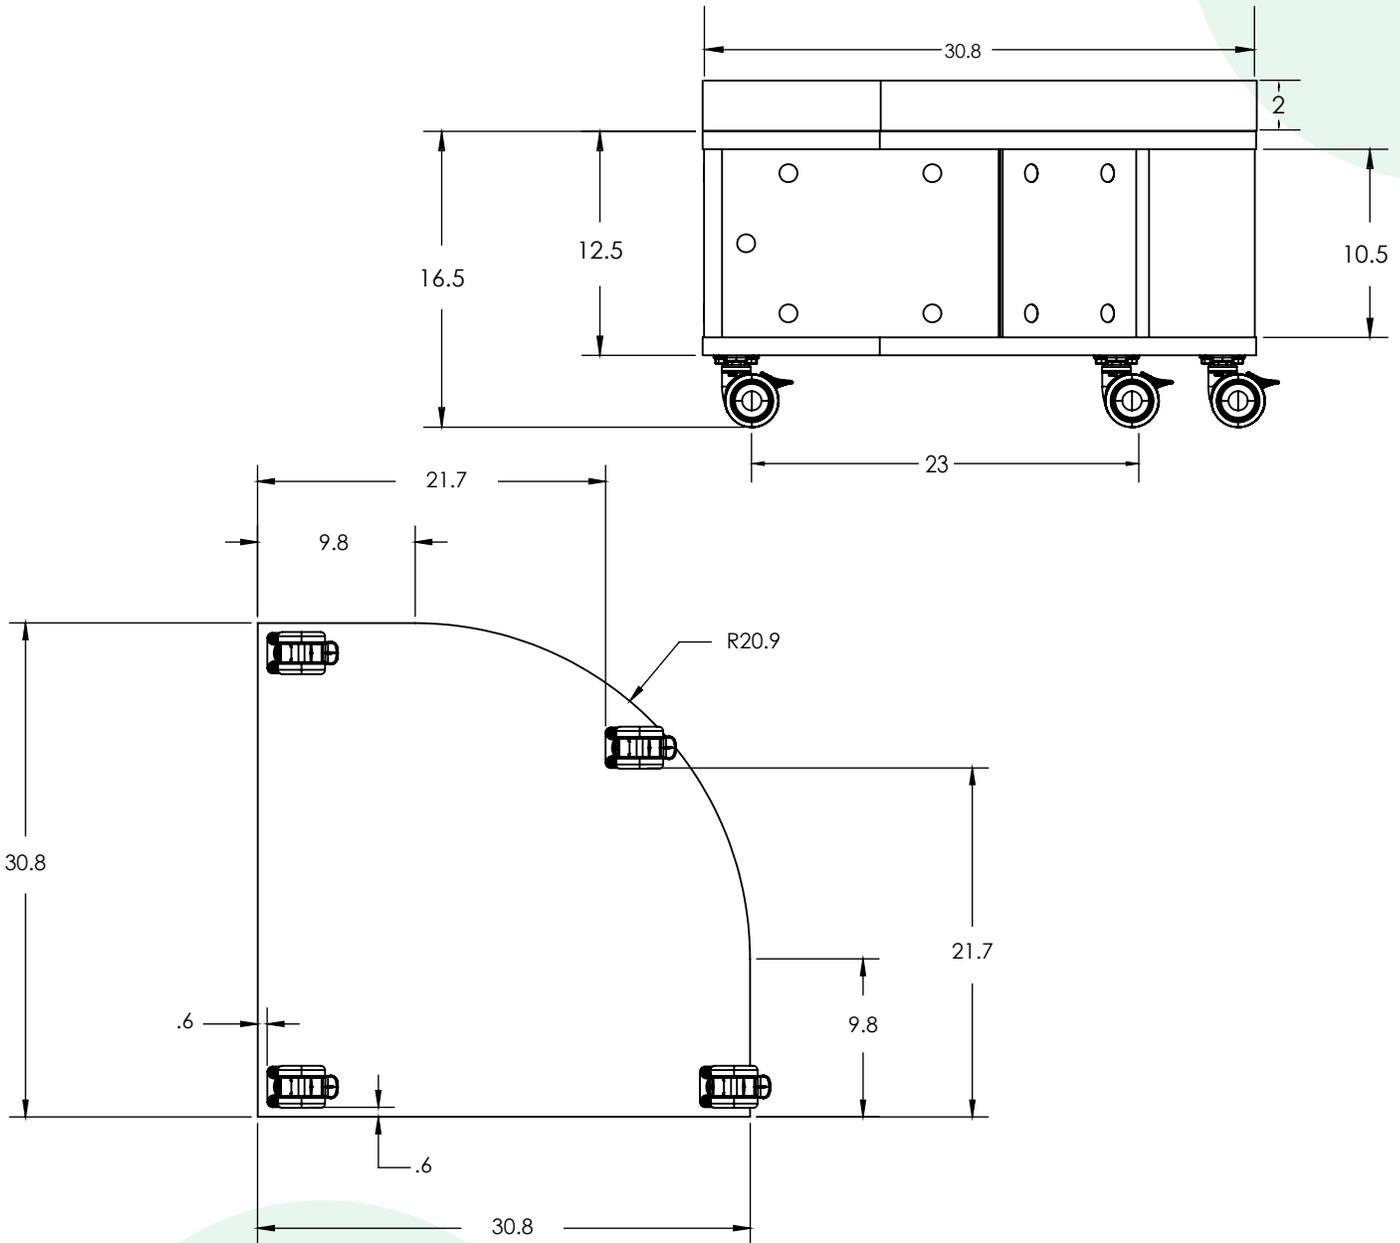

Tested to applicable ANSI/BIFMA Furniture Standards
