

Mobile Library Shelves

42" and 48" height single-faced & double-faced Curved or Linear laminate-clad mobile storage cabinets are open-faced with solid metal back panels. Backer panels can be specified with Titanium, Black or White paint. Hidden Caster Models feature 3" laminate-clad decorative strips below top and bottom panels.

End Panels

End panels are 1" thick medium density particle surfaced with thermo-fused laminate on both sides for balanced construction and to minimize warping. All end panels are edge banded top, bottom, front and back with 2mm PVC. Machined for adjustable shelves on 32mm centers. Magnets in end panels allow for connecting other mobile cabinets or connecting with metal-clad furniture.

Back Panels

Back panels are formed 18GA metal for enhanced structural integrity.

Top & Bottom

Top and Bottoms are 1" thick medium density particle surfaced with thermo-fused laminate on both sides for balanced construction and to minimize warping. Tops and bottoms are both ends, front and back with 2mm PVC. ADFM and ADFMC models also feature (describe toe-kick/header).

Adjustable Shelves

All adjustable shelves are 1" thick medium density particle surfaced with thermo-fused laminate on both sides for balanced construction and to minimize warping. Shelves are edge banded front and back with 2mm PVC
