

D500 + D400 Series

The D500 and D400 series teacher desks are available with an adjustable height range of 27"–36" and 30" x 60" and 30" x 48" TOP.

1-1/8" Particleboard Core with Vinyl Flat Edge (F)

TOP is constructed of a 1-1/8" thickness 45# particleboard core with high-pressure laminate (HPL) top surface and phenolic backer sheet for balanced construction. Vinyl flat edge is secured to the perimeter of the top.

Frame

Frame constructed of two 1¼" 19-gauge square tubular steel supports on each side with 22-gauge end panel and 22-gauge modesty panel. Modesty panel is attached with weld and the end panels are attached to the supports and TOP with screws. A 1¼" 11-gauge square horizontal support spans across the bottom center of the frame. Center drawer attached to TOP with screws (D500, D5L0, D5R0). Lower frame (inserts) is constructed of a 1½" 16-gauge square steel tube with nickel chrome finish. Upper frame available with powder coat finish only. 27" - 36" adjustable legs in 1" increments.

Pedestal

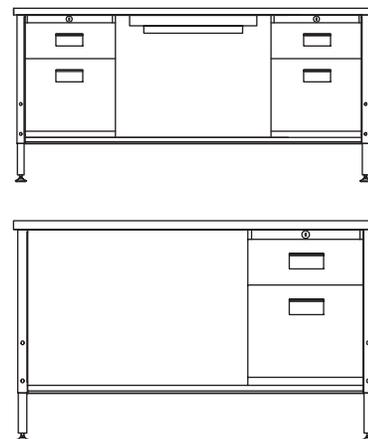

Pedestals constructed of 24-gauge steel; the front and back of the pedestals are mechanically fastened to the one-piece drawer body. Box drawer extends three-quarters, has nylon rollers and includes a divider. File drawer is full extension with 10 nylon rollers and includes a file compressor. Center drawer operates on ball bearing slides and includes a pencil tray. Pedestals are secured to the TOP with screws. All locks are common keyed.

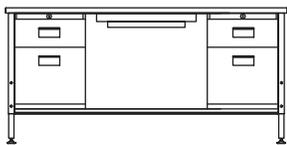

Glides

1½" diameter nickel plated steel with adjustable height feature for uneven floors and nylon base. Available with optional 3" rubber casters.

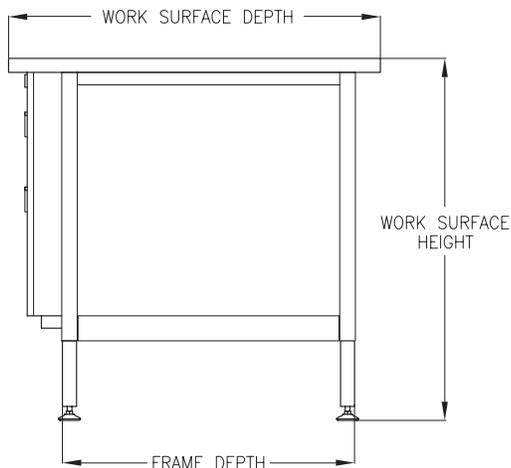

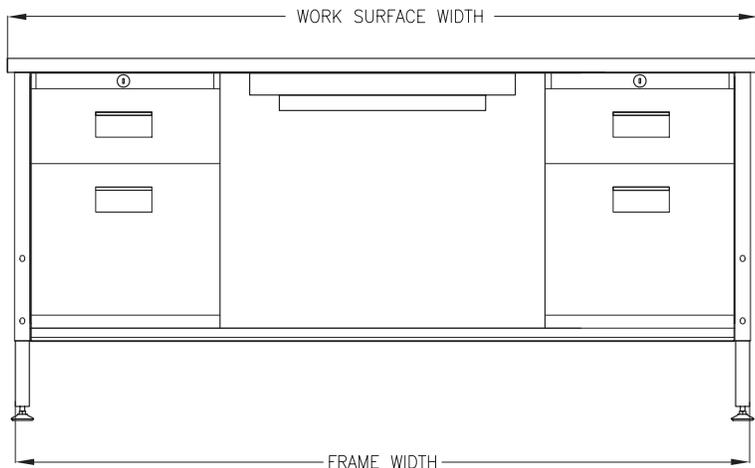

Compliance

- > Meets or exceeds applicable ANSI/BIFMA test standards
- > Indoor Advantage™ Gold. Indoor air quality certified to SCS-EC10.3-2014
