Why?

artcobel is excited to offer a series of professional development hands-on, interactive workshops to support your purchase of artcobel furniture

*Presented by Patricia Cadigan
Vice President of Learning Environments, M.Ed.*

Objectives

- ✓ Review current research on the importance of classroom design and the impact on student achievement
- ✓ Unpack your vision for teaching and learning by evaluating the systems of how, when, what, and where your students learn
- ✓ Connect the dots to design the ultimate learning environments

Customized to meet your communities needs

- ✓ Hands-on workshops
- ✓ Data driven / Evidence / Research based
- ✓ Small group (35 or less) or Trainer of Trainer model

How can furniture support your vision?

- ✓ Learn how the correct furnishings will eliminate barriers for teachers
- ✓ Use classroom furnishings to enhance the learning environments
- ✓ Discover how classroom furnishings can increase student engagement and motivation
